---

### WHAT IS THE SOVEREIGN GOLD BOND?

The Government of India have launched the Sovereign Gold Bonds Scheme. As investors will get returns that are linked to gold price, the scheme is expected to offer the same benefits as physical gold. The investor earns additional 2.75% interest on these bonds. They can be used as collateral for loans and can be sold or traded on stock exchanges.

### BENEFITS

- The Sovereign Gold Bonds are available both in demat and paper form.
- The tenor of the bond is for a minimum of 8 years with option to exit in 5th, 6th and 7th years.
- They will carry sovereign guarantee both on the capital invested and the interest.
- Bonds can be used as collateral for loans.
- Bonds would be allowed to be traded on exchanges to allow early exits for investors who may so desire.
- In Sovereign Gold Bonds, capital gains tax treatment will be the same as for physical gold for an 'individual' investor. The department of revenue has said that they will consider indexation benefit if bond is transferred before maturity and complete capital gains tax exemption at the time of redemption.

### DETAILED FAQs

- **What is Sovereign Gold Bond (SGB)? Who is the issuer?**

SGBs are government securities denominated in grams of gold. They are substitutes for holding physical gold. Investors have to pay the issue price in cash and the bonds will be redeemed in cash on maturity. The Bond is issued by Reserve Bank on behalf of Government of India.

- **Why should I buy SGB rather than physical gold? What are the benefits?**

The quantity of gold for which the investor pays is protected, since he receives the ongoing market price at the time of redemption/ premature redemption. The SGB offers a superior alternative to holding gold in physical form. The risks and costs of storage are eliminated. Investors are assured of the market value of gold at the time of maturity and periodical interest. SGB is free from issues like making charges and purity in the case of gold in jewellery form. The bonds are held in the books of the RBI or in demat form eliminating risk of loss of scrip etc.

- **Are there any risks in investing in SGBs?**

There may be a risk of capital loss if the market price of gold declines. However, the investor does not lose in terms of the units of gold which he has paid for.

- **Who is eligible to invest in the SGBs?**

Persons resident in India as defined under Foreign Exchange Management Act, 1999 are eligible to invest in SGB. Eligible investors include individuals, HUFs, trusts, universities, charitable institutions, etc.
